Breastfeeding Without Birthing

A Breastfeeding Guide for Mothers through Adoption, Surrogacy,
and Other Special Circumstances

Breastfeeding without Birthing is an essential guide to breastfeeding for mothers through adoption, surrogacy, and other special circumstances. All breastfeeding-without-birthing mothers who wish to provide their own milk for their baby will learn the tools and techniques for inducing lactation without pregnancy and birth.

Alyssa has pulled together all the best information from many corners into one very readable and accessible resource.... Breastfeeding Without Birthing will be your companion as you work through the steps toward your breastfeeding relationship.

—Diana West, BA, IBCLC
